The Excise Comr. asks for the continuance of

No. 1161/55 Encl. / Excise Commissioner's office.
Bangalore dated 15th/16 August 1900

From,

The Excise Commissioner
in Mysore

To,

The Secretary to the
Government of Mysore
General and Revenue Departments,

Sir,

Adverting to Government ... Proceedings No. 8389-90/Ex 308, dated 28th May 1900, sanctioning the temporary entertainment of certain additional establishment for the Bagani toddy trade in the Shemoga District till the end of the past official year, and calling for a report at the close of the said year as to whether the cost thereof has affected the net average annual revenue of the past three years to any extent, I have the honor to submit herewith copy of letter No. 138 of the 13th July 1900 from the Special Assistant Commissioner, Shemoga Division. It will be seen from it that the establishment was organised only at the end of May last, and that therefore it is not possible to gauge what effect

the

the cost of it has had on the average annual revenue of the past three years.

2. The average annual Bagani toddy revenue for the past three years, is as follows:-

Years	Revenue Rs - as - ps
1897-98	13,506 - 13 - 3
1898-99	10,006 - 12 - 10
1899-1900	13,810 - 4 - 11
Total	37,323 - 15 - 0
Average per annum	12,441 - 5 - 11

3. The Bagani toddy revenue of the Shemoga District for the past official year, increased by Rs 3803-8-1 as per following particulars:-

For 1898-99 Rs - as - ps	For 1899-1900 Rs - as - ps	Increase Rs - as - ps
10,006 - 12 - 10	13810 - 4 - 11	3803 - 8 - 1

Deduct the Cost of additional establishment sanctioned in Government Proceedings No. 8389-90 Ex 308 dated 28th May 1900, and entertained from 1st June 1900 (including peons) 313 - " - "

Net income 13497 - 4 - 11

It will thus be seen that the net income of the past year was more than the average

average annual revenue for the past three years by Rs 1055-15-11. But as the establishment was entertained only at the end of May last, it is not possible now to gauge the results of it as stated above. Accordingly I beg to solicit sanction to continue the establishment till the end of the current official year, when the results will be duly reported. The Special Assistant Commissioner reports that five peons for the five temporary Inspectors have also been entertained, as they are indispensably wanted for them. I request therefore that sanction may also be kindly accorded to the temporary entertainment of five peons on Rs 7 each with retrospective effect from 1st June 1900.

I have the honor to be,
Sir,
Your most obedient servant.

No. 138

Inclosure to S. P. 19-00

From

A. S. Kearns Esq.
Special Assistant Excise Commissioner
Shemoga Division.

To

The Excise Commissioner
in Mysore

Sir,

I have the honor to report as follows on your official memorandum No. 6482 dated 29th May 1900 calling for a report on the matter of the new Establishments in the Malnad Taluks of the Shemoga districts.

2. It is not possible to gauge what effect these new Establishments has had on the Revenue. The appointments were only finally confirmed by the deputy commissioner at the end of May, and the men began to join as the shop sales were completed in their respective Taluks, so that the last man could not have joined till the beginning of June. I was ordered on 11th March to make

the

the appointments with effect from 1st April. As I was quite new to the Division, I had to call for information as to the services of the respective Inspectors, Examiners, Sub-Inspectors &c &c and I submitted my appointments to the Deputy Commissioner on the 28th March. These were not confirmed by the Deputy Commissioner; and as I have already stated, it was not till the end of May that orders were finally passed.

3. Whether however the appointments had been made on 1st April or at the time that they were made, they could have no effect on the Revenue of the year then closing. It must not be forgotten that after April very little marking is done, so that there was no scope to show the influence of the increased staff, and joining when they did they made absolutely no impression.

4. Before however the new staff had joined, I had generally stirred up the old staff, and it may be of interest to see the improvement that took place

in

in detection after I assumed charge of the Division.

Ranges	Detection from 1st July 1899 to 28th February 1900		Detection from 1st March 1900 to 30th June 1900	
	Cases detected	Number of trees illicitly tapped	Cases detected	Number of trees illicitly tapped
Sheerthahally	10	18	21	33
Corresponding period	5	6	1	4
Kallurkatta	2	5	0	0
Corresponding period	1	1	2	3
Sagar	1	2	12	34
Corresponding period	0	0	0	0
Sorab	9	31	6	33
Corresponding period	4	12	2	4
Shikarpur	0	0	0	0
Corresponding period	0	0	1	1
Total	22	56	39	100
	10	19	6	12

5. It will thus be seen that in the four closing months in the year there was a vast improvement in detection. The figures given do not of course include the figures of the special detection of the Sagar Taluk.

6 If I may venture to do so I can however assure you that there is no need whatever to be afraid but that the expenditure on the extra staff will be more than recouped.

I have &c.
